

# SCHS National Honor Society Annual Contract 2024-2025

Due by September 17, 2024

Dear

Membership in the National Honor Society (NHS) is one of the highest honors that can be awarded to a high school student. Our chapter has worked hard to bring the accomplishments of outstanding students to parents, teachers, peers, and the community. Our chapter strives to give practical meaning to the Society's standards of scholarship, service, leadership, and character. These four ideals are considered as the basis for selection. No student is inducted simply because of a high academic average. The National Honor Society strives to recognize the total student—one who excels in all of these areas. The standards used for selection are:

Scholarship: 3.5 cumulative unweighted average

Leadership, service, and character: as demonstrated by activities and teacher evaluations

Membership, however, is more than an honor. It is an ongoing responsibility and an obligation to continue to demonstrate those outstanding qualities that result in a student's selection. Membership also carries a responsibility to the chapter. If our NHS chapter is to be effective and meaningful, each member must become involved. The following are requirements, which must be met to retain membership. If one of the following is violated you will be dismissed from NHS and unable to ever reapply. Please initial each box indicating you have read and understand each requirement.

INITIAL BELOW

\_\_\_\_\_ Attend all scheduled meetings

\_\_\_\_\_ Maintain 3.5 cumulative unweighted average. If your GPA drops you will have one quarter to return your GPA to the requirement. Failure to do so will result in dismissal from NHS.

*Mrs. Deborah Keith*
